

## 2017 Lake Wilderness Park Concessions Guidelines

Thank you for expressing interest in the concession fundraising program at Lake Wilderness Park.

Maple Valley Parks & Recreation is pleased to invite local community non-profit groups an opportunity to participate in our unique fundraising program. Again this year Parks & Recreation department will be purchasing supplies and acquiring the food booth permits. The guidelines will enable local community groups to earn increased profits while investing less time and money on pre-event bulk food shopping, health permits, storage, tables, tents, transportation, grills etc. To benefit all parties, our community groups in 2017 will make 42% of total revenue earned from the event.

Groups selling at City events will only have to provide quality volunteer staff and follow the established guidelines and they will have the opportunity to generate revenue for their not-for-profit community group.

This mutually beneficial arrangement aids the City of Maple Valley in providing quality food service and concessions at City sponsored activities while fostering an economically meaningful connection with our community based groups. The program provides a means for recovering the City's investment while providing groups with a nice return on their investment of time.

- Qualifying groups will be assigned to one event per year
- Groups from previous years will have priority on securing event dates in 2017
- New qualifying groups will be added in order of application date

We've enclosed informative materials that will give you a good idea of the program's requirements, expectations and potential revenue.

If you have questions after reviewing the materials, please feel free to contact us directly at 425.432.9953.

Wishing you a successful summer of fundraising!
